

THE WAY OF THE SEA

Day 1: Departure from Bologna to Campotto along the Navile Cycle Route up to Castelmaggiore and the birdlife oasis of La Rizza for individual packed lunch. Visit of the site and passage from the town of Bentivoglio with its castle. From here, taking the Rhine embankment, we reach the Natural Oasis of Campotto where we will stop at the farmhouse for the night. Distance: 74km

Day 2: In the morning we continue along the Reno canal up to Sant'Alberto where an evocative journey begins along the Comacchio valleys with sightings of flamingos that have settled here permanently. Once in Casalborgorsetti you can take a swim in the Adriatic and refresh yourself before continuing for a stretch along the coast and into the pine forest to then reach Ravenna via cycle paths. Distance: 76km
