Rest of the day free

**Saturday:** Meeting with the cycle guide at the 'Aqua Sport Center', preparation of the bicycles and departure for the day excursion.  
We will skirt the banks of the United Rivers and continue until we arrive in Classe, where we will visit the Classis Museum and the Basilica of Sant'Apollinare in Classe with the famous Byzantine mosaics of the sixth century AD. After a light lunch at the restaurant we will continue to Dante's pine forest - a place of inspiration for both Dante and Boccaccio - a lush and fascinating environment.  
Very interesting itinerary for birdwatchers, thanks to the panoramic towers over the Ortazzo valley that allow you to observe many species of aquatic and migratory birds. Arriving at the Magic Cube of Bevanella, the museum center of the area, we will return to the Aqua Sport Center passing through the eastern part of the Dante pine forest which suffered a major fire in the summer of 2012 and we will see how nature is rising again.

**Sunday:** Check - out from the hotel and end of services.  
On request it is possible to organize a half-day excursion to the Medieval Village of Brisighella, located in the most beautiful villages in Italy or to the Abbey of Pomposa and Comacchio, nicknamed the little Venice.
